ON

race war, have some negroes killed every few days, and then, from their seats in the senate, tell the people of the north that a republican form of says a snow storm has been raging there for the last two hours.

Arrested for Fergery

McKenny, Sept 29,—J. A. Johnson allas G. B. Young allas D. T. Williams allas John Robinson, was arrested here last night for forgery. He sthought to be from the west. He was in the town but a short while, but had committed three forgeries two on the sheriff. He had a score of biblical references conveniently jotted down.

A sheriff Indicted.

### Through a Bridge.

Texarkana, Tex., September 29.—
Sheriff Dick Choate, of Cass county, adjoining this, was arrested yesterday on four indictments found by the United States grand jury and taken before the United States grand jury and taken of \$2.000. The charges are that he sturned prisoners out of the jail that the court had committed to his charge without compelling them to serve out the sentence of the court, and that he afterwards collected fees for the full afterwards collected fees for the ful about twenty cars. It reached the pending against the shernif of this county.

During the coming court week Major Edwards will probably be tried on the charge of murder. The killing took place about two years ago, the party being a regular giant in size and strength.

Waviag the Hisody Nahrt.

Waviag the Hisody Nahrt.

Washington, Sept. 30—The growth and development of the southern states, and particularly the southwestern states of Arkansas and Texas, is too rapid to please the senate republicans of the bloody shirt stripe. Knowing that these states are so solidly democratic, they think that they will remain so, and that in view of the heavy immigration the congressional representation will be largely increased the probably the sum of the south probably the sum of the s

transferred. . Where the blame, lies is not known. The wreck is a very cost-

Daingerfield, Texas, Sept, 29.—To-day a young man by the name of John Thomson was riding out a mile from town. His horse became frightened and ran away with him, throwing him against a tree. His head and face is badly bruised, but he is still alive and rational, with hopes of recovery.

### Cotton Belt Directors to Meet.

Sherman Texas, Sept. 30.—Captain Tom Randolph, president of the Merchants' and Planters' Bank of this city and one of the directors of the St. Louis Arkansas and Texas railway, received a telegram to-day notifying him to attend a meeting of the directors of that company at Texarkana, Ark., on next Monday morning for the purpose of considering matters of importance pertaing to the road. importance pertaing to the road.

### Cattle Train Wrecked.

Belcherville, Texas, Sept. 29.—This morning about daylight, four miles west of here, a north-bound Missouri Pacific stock train left the track, demolishing eleven cars, killing outright sightly carlle and compling. fifteen

Muscogee, I. T., Sept. 29.—As a freight train was pulling out of the yards this evening about 8 o clock, a young man by the name of Scott by some means or other, fell off the caboose, was run over and so severely injured that he died in less than an hour. Scott was not known in this city, but from papers on his person it was found that he has a wife living in Dallas, and that he was formerly a brakeman on the St. Louis and San Francisco railway. This makes two men who have been killed by cars in this city during the past week. The other was George B. Legate, who was instantly killed before the depot last Sunday.

their own apartments and nothing is heard from them.

It is thought that the fashion of em-ploying Indian servants will extend from palace to mansion and from there to smaller houses. With all the complaints

willing to work on the ground floor of a house.

Female human neare is the same in America as in England. The disposition in both countries is to leave the occupations that are fairly remunerative and which offer constant employment for those where the pay is small and the tenure uncertais. Housework is considered as mental, while doing piecework in a factory is reparried as elevating. It is claimed that there is a certain independence about work in a factory that does not pertain to employment in a factory that does not pertain to employment in a factory that does not pertain to employment in a factory that does not pertain to employment in a factory that does not pertain to employment after that are today and to a great clothing house has been above in the newspapers. An achilis has also been made of the pay they receive. Meter state of things exists in factories where wool and cottom are converted.
